

## **REMARKS**

In the Notice to File Corrected Application Papers dated June 28, 2010, it was indicated that the specification does not include a brief description of Figs. 10d and 10e, and that there are deficiencies in Figs. 1, 3, 5a, 6b and 7.

Accordingly, the specification has been amended herein so as to include a brief description of Figs. 10d and 10e, and replacement sheets are being submitted for Figs. 1, 3, 5a, 6b and 7 in order to address the deficiencies. In particular, in Figs. 1, 5a, 6b and 7, any images that may obscure part of the illustration have been removed, and in Fig. 3, the numbers in the drawing that have been crossed out and are illegibly handwritten have been removed.

If any points remain in issue, the USPTO is kindly requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,

Ryoji YAMAGUCHI et al.
